Hi all, I think that where there are duplicates the CDA member registered someone else. I heard frustration with the registration system...so I'd be careful to reduce the number quite yet. For example, Wilshire registered four people under one name – it was the only way he could figure it out. Lauren, can you reach out to the duplicate names and see if they are bringing someone?

Hi Nicole: We have determined that there are some duplications on our registration list. We are sending e-mails to verify how many, so it appears to be less than 85 at this point – more in the 70 range. I will get back to you ASAP to solidify this tomorrow. Thx Lauren
